## **Cumulus Neuroscience – Financial Controller**

At Cumulus Neuroscience (formerly BrainWaveBank), we develop cutting edge technologies for the measurement and interpretation of the progression of brain disorders.

Our machine-learning-powered digital health platform allows us to rapidly build the world's largest collection of real-world brain activity and cognitive health data. The insights we extract from this data help transform our understanding of brain health and improve the development of novel treatments for brain disorders. We are now recruiting into a new role in our growing organisation. Be part of an amazing team developing cutting edge tools to solve the biggest healthcare challenge of a generation.

In the role of **Financial Controller**, you will report directly to the CEO.

### **You will be responsible for:**

- Ensuring the smooth day-to-day operation of the finance operations of the company
- Production of monthly management accounting information for review
- Financial analysis and planning
- Preparation of annual statutory accounts
- Management of research grants including preparation of claims
- VAT returns
- Operation of payroll
- Treasury management
- Improving business processes

### **The ideal candidate will have the following qualifications:**

- ACA/ACCA/CIMA qualified
- Educated to degree level
- Minimum of 3 years PQE in a fast-paced accounting environment with proven and demonstrable technical skills in financial accounting, taxation, and company legislation
- Strong analytical skills on financial information
- Experience of overseas business
- Experience of Research and Development tax credits
- Strong experience in processes and control
- Highly proficient in Microsoft office, particularly Excel and PowerPoint

**Salary & Benefits:**

- Salary range £40k-£50k
- 25 days paid holidays
- Competitive benefits including pension match and private medical insurance
- Flexible work-from-home policy

**Location:** Belfast, Northern Ireland

**Interested candidates should send a CV and short cover email to**  
info@cumulusneuro.com
